### **Astonishing X Men By Whedon**

Joss Whedon and John Cassaday's critically acclaimed `Astonishing X-Men' run was the spiritual successor to Grant Morrison's New X-Men, so (as Whedon alluded to in an email conversation reprinted at the back of this book) they were always going to have a mammoth task ahead of themselves. However, although this run makes several references to Morrison's stories, and uses mostly the same team from that period, Whedon and Cassady pretty much took this in their own direction.
