Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-

At a time when there
are calls for radical
overhaul of the audit

Read Free Auditing Cpa Ireland

profession, Steve Collings provides a calm, rational voice, arguing that by following the audit process, from planning the audit, through gathering the evidence, to finalising the audit, we can raise the quality of work and avoid the mistakes that bring the profession into disrepute.
