Counter-insurgency campaigns of duly-elected or politically recognized governments take place during war, occupation by a foreign military or police force, and when internal conflicts that involve subversion and armed rebellion occur. The most effective counterinsurgency campaigns "integrate and synchronize political, security, economic, and informational components that reinforce governmental legitimacy and effectiveness while reducing insurgent influence over the population.

Counter-insurgency - Wikipedia

At base, studying effective counterrevolution offered US leaders lessons in repurposing Britain's history of "imperial policing" throughout the world. These lessons—their fundamental imperial logic—quickly undergirded America's network of client states, which received US counterinsurgency training programs during the Cold War.
