### Cromwells Major Generals Godly Government

The Rule of the Major-Generals, was a period of direct military government from August 1655 to January 1657, during Oliver Cromwell's Protectorate. England and Wales were divided into ten regions, each governed by a major-general who answered to the Lord Protector. The period quickly "became a convenient and powerful symbol of the military nature of the unpopular interregnum state".

### Oliver Cromwell and the People of God — olivercromwell.org

Durston attributes the failure of the major generals to their aim in establishing godly rule, which he regards as being impossible given the resources at their disposal, and their failure in this task is why the rule of the major generals collapsed. The failure of the major generals shifted Cromwell's outlook, and his opposition to the Decimation Tax showed that he no longer supported the rule of the major generals.

### Cromwell's Major-Generals: Godly Government During the ...

The Rule of the Major-Generals. T he Rule of the Major-Generals was a 15-month period of direct military government during Oliver Cromwell's Protectorate. The failure of the First Protectorate Parliament discouraged Cromwell from further attempts to co-operate with civilian politicians, and a series of Royalist conspiracies that culminated in Penruddock's Uprising in the spring of 1655 convinced him that stringent security measures should be enforced.

### Rule of the Major-Generals - BCW Project

When Oliver Cromwell sent his most trusted lieutenants into the provinces in 1655, the instructions he gave them were wide ranging and the task he set them was enormous. They were to oversee every aspect of local government, prevent conspiracies, remove negligent or scandalous ministers and promote godliness and virtue among the people.
