Frank Gehry | Salon.com

Anyone who loves design on any scale, from the shape of a building to the color of the furniture inside of it, has probably heard of Frank Gehry. Unquestionably one of the most innovative, most popular and most prolific architects of his generation, Gehry is famous around the world for his unconventional designs and ingenious use of shapes and materials to produce striking, sometimes reality-warping effects with his work.

Frank Gehry's Groundbreaking Furniture Designs

Frank Gehry was born in 1929 and raised in Canada until he immigrated to Los Angeles, California, in 1947. Gehry graduated with a Bachelor of Architecture degree from the University of Southern California in 1954. From 1969 to 1973, he designed a furniture line called Easy Edges.
