John Deere Combine Specs :: RitchieSpecs

With a combine diesel,you need to watch that you get a late one with a Deere engine,and you will have to supply the tractor only diesel engine parts,the gas engine stuff will not work. Others that have done this swap tell me the 404 diesel is a bolt in,while the 466 is longer and needs hood and frame extension to work.

JD 4020 engine swap??What works?? - Yesterday's Tractors

We'll maintained and taken care of, this JD 6620 Titan II Sidehill combine is a good machine and ready to get back into the fields.
