"The Two Cultures" is the first part of an influential 1959 Rede Lecture by British scientist and novelist C. P. Snow which were published in book form as The Two Cultures and the Scientific Revolution the same year. Its thesis was that science and the humanities which represented "the intellectual life of the whole of western society" had become split into "two cultures" and that this division was a major handicap to both in solving the world's problems.

1.2.1. First steps¶. Start the Ipython shell (an enhanced interactive Python shell):. by typing "ipython" from a Linux/Mac terminal, or from the Windows cmd shell, or by starting the program from a menu, e.g. in the Python(x,y) or EPD menu if you have installed one of these scientific-Python suites.; or by starting the program from a menu, e.g. the Anaconda Navigator, the Python(x,y) menu ...

1.2.1. First steps — Scipy lecture notes

Generally, lectures will last one or two hours, though they may be immediately followed by an interactive seminar to discuss the content of the lecture (more on seminars later!). If there is a particularly complex topic to cover, or a guest lecturer, it may be a longer session, but an hour is fairly standard.

What is a university lecture like? | The Student Room

Enjoy the videos and music you love, upload original content, and share it all with friends, family, and the world on YouTube.

Anatomy 2 (first lecture) - YouTube

South-east Queensland's university students will return to face-to-face lectures for the first time in 2020 from the beginning of the second semester

on July 10, where it is COVID-19-safe.

SEQ universities to begin first face-to-face lectures and ...

Each question is a springboard from which to explore tricky aspects of the topic. This breaks up the lecture and instils energy by making students more active. Plus, it is fun – albeit in a geeky way. But all of this rests on two increasingly rare conditions. First, the students need to be in the room.

Top tips on how to make your lectures interesting | Times ...

That in this boat they had no supply of water and no supply of food, except two 1 lb. tins of turnips, and for three days they had nothing else to subsist upon. That on the fourth day they caught a small [p. 274] turtle, upon which they subsisted for a few days, and this was the only food they had up to the twentieth day when the act now in question was committed.
