花花酱 LeetCode Problem List 题目列表 – Huahua's Tech Road

An example of where I didn't refuse - I recently interviewed for the E6 track at Facebook, but failed (long story short, they asked for a 3rd round, got a bad System Design interviewer, and failed - I actually did well on the LeetCode surprisingly). Anyway, that job would have $500K+ of non-paper money. So, I will do LeetCode for that.

Difficulty with Leetcode : cscareerquestions

The leetcode web coding IDE has a premium debugger feature – however this is not enabled during the contest. Recently I found out that you can actually print to STDOUT and then when you run your solution – you will see the output – this is an easy yet powerful method to debug when you don’t have other better solutions.

Using the stdout to debug print the solution in the ...
