Paper Dreams Lyrics

But if you can't be nice then shut your mouth I'll drift away and chase my paper dreams, 'Cause I'll never be the person that everyone else want me to be. I've got my hands in the air but I'm still breathing, I'm half lazy half human being, It's hard to think when your brain's on the ceiling, I do the robot but I've got feelings, yes.

Jamie N Commons Lyrics. "Paper Dreams". Hmm, hmm. Hmm, hmm. It's been a hard time living here out by myself. It's been a hard time caring now 'bout someone else. 'Cause when that girl gone left I nearly lost my mind. It's been a long time coming but I feel alright. And I'm feeling alright, now.

Paper Dreams- Lucy Spraggan Lyrics

I take some paper on my hand, And with a pencil draw a man The dream of what I'd really, really like to be. A man with courage in his brow, Who's licked his doubts and fears somehow, A warrior of great nobility. But who am I? Just a wandering kid. A cipher on the wall, not even brave at all! And where's my dream like his that I would fight for?
