Place a pillow under your right shoulder and your right arm behind your head. Using your left hand, move the pads of your fingers around your right breast gently covering the entire breast area and armpit. Use light, medium, and firm pressure. Squeeze the nipple; check for discharge and lumps.

Breast Self-Exam - National Breast Cancer Foundation

Breast self-exam (BSE) is a step-by-step approach a woman can use to look at and feel her breasts to check for anything abnormal. BSE isn't recommended as a screening tool for breast cancer. Although it seemed promising when it was first introduced, studies have shown BSE doesn't offer the early detection and survival benefits of other ...
