You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

The Woman With A Worm

"The Woman with a Worm in her Head" is a clearly and elegantly written account of Dr Nagami's career as an infectious diseases specialist. Her stories of treatments and outcomes are as gripping and full of incident as good detective fiction (though infused with more humanity).

The Woman with a Worm in Her Head: And Other True Stories ...

In The Woman with a Worm in Her Head, Dr. Pamela Nagami reveals-through real-life cases-the sobering facts about some of the world's most horrific diseases: the warning signs, the consequences, treatments, and most compellingly, what it feels like to make medical and ethical decisions that can mean the difference between life and death.
